

Marriage Covenant

Marriage is God's divine idea and is a covenant between a man and a woman who agree to live together as husband and wife for as long as they both live.

Therefore, we have chosen each other because we believe this is God's will for our lives. Through careful consideration, prayer and premarital counseling on the nature, purposes and responsibilities of marriage, we understand and agree that a covenant marriage is for life. We also agree that if we experience marital difficulties we will make every effort to preserve our marriage including biblically based marital counseling.

With full knowledge of what this commitment means, we do declare that our marriage will be bound by the teachings of God's word, and we promise to love, honor and care for another as husband and wife for the rest of our lives.
